Explore Grand Family Fun at the Grand Sierra Resort!

A world-class resort just wouldn't be complete without world-class Reno family activities. There's something for everyone in the family! Bowling in Reno is a step outside your room, featuring 50 lanes. Also find a Reno theater cinema multiplex and a 40,000-square foot Reno video game arcade/parlor, game/simulator, rides and laser tag arcade that the young and young at heart can enjoy.

There's also plenty of shopping, including some of Nevada's most unique boutiques, sprinkled throughout the resort.

Dining is GRAND at the Grand Sierra Resort. We have 11 restaurants to choose from including fine dining, casual dining and to-go options. We are proud to present two Chef Charlie Palmer restaurants - Charlie Palmer Steak, a progressive American-style steakhouse and Briscola, an authentic and traditional Italian restaurant.

We have a 24 hour cafe and a buffet for those wanting variety and an all you can eat option. Head downstairs and you will find several family friendly options such as Johnny Rockets, Port of Subs, Round Table Pizza, and Yogurt Beach.

Craving a glass of wine, head over to the Reserve or if a hand-crafted cocktail is more your style, try Wet Lounge or one of our many other bars on property. Whatever you are craving the Grand Sierra Resort has something for everyone.
